

JACK SCHNUR PRESENTS:

FOSSE

Bob Fosse wowed Broadway with his jazzy style and the cocky, suggestive moves he brought to his choreography for musicals such as *The Pajama Game* and *Sweet Charity*. Ever the innovator, he went on to introduce new camera perspectives in *Cabaret*, his Academy Award winning movie set in decadent Berlin. On **Sunday, March 21, from 2:00—4:00PM**, Jack Schnur presents videos and songs from Fosse's rise from vaudeville and burlesque to military shows to Hollywood to "The Great White Way". Come to your Library and enjoy this tribute to a master showman.

FRIENDS OF THE NORTH BELLMORE LIBRARY

The Friends of the Library supplement what the library provides for the community by:

- ◆ Raising money for the library above and beyond its operating budget
- ◆ Providing additional programming for the library
- ◆ Serving as ambassadors for the Library in the community
- ◆ Building support for the Library
- ◆ Advocating for the Library

The "Friends" can make the difference for this library and our community. During 2008-2009 we raised sufficient funds to purchase a new piano we now enjoy in the Community Room. We hope that you and your family will consider becoming a **FRIEND** and help us to enhance, embellish, enrich and embrace through our **NORTH BELLMORE LIBRARY**. We would love to have you attend our monthly meetings, but even if you can't you can still be a "paying member."

LONG ISLAND READS**

River of Doubt by Candace Millard

The true story of Theodore Roosevelt's harrowing 1914 exploration of one of the most dangerous rivers on earth, a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped tributary of the Amazon. He and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. Yet he accomplished a feat so great that many at the time refused to believe it.

Monday, May 17, 1:30-2:30PM

The discussion will be about the book which the group read for the cancelled February 10th meeting. Copies of the book will again be available starting the day of the April discussion.

At the core of **Under the Banner of Heaven** by Jon Krakauer is an appalling double murder committed by two Mormon fundamentalist brothers, Ron and Dan Lafferty, who insist they received a revelation from God commanding them to kill their blameless victims. Beginning with a meticulously researched account of this "divinely inspired" crime, Krakauer constructs a multilayered, bone-chilling narrative of messianic delusion, savage violence, polygamy, and unyielding faith.

GALLERY ABOVE THE SHELVES

Another local resident, Barbara Lewin, is displaying her artwork at the Library this March. Her painting is a reflection of her spirit through which she continues to learn, love and find peace in the simplest things. Her acrylic paintings center around natural wonders: a sunset, mountains, the sea, waterfalls, etc. Barbara received an Associate Degree in Advertising Art & Design from SUNY Farmingdale. In the 1990s, she attended continuing education courses and studied palette painting for two years. It was then that she discovered her uniquely expressive creative outlet. Barbara Lewin is an active member of the Town of Oyster Bay Rotational Art Project and her paintings continue to be exhibited around Long Island. Her website is
