American Girl Doll kits must be reserved in advance and borrowed by an adult (18 years or older) family member. **Kits are limited to adult North Bellmore Public Library cardholders in good standing only.**

The loan period for each kit is **one week** with no renewals. Kits must be returned to a librarian at the Children’s Reference desk. **Please do not return kits in the drop box.** As a courtesy to other patrons, we ask that no individual or family reserve the same doll more than once in a 30-day period.

To ensure that the American Girl Doll kit can be given to the next patron, the library charges a **$5 late fee per day.** Please know the due date and return the kit promptly as each returned doll must go through a quarantine process.

By reserving a kit, patrons understand that the kit might contain small parts and pieces. Patrons are responsible for supervising children while using the kit.

While the kit is in a patron’s home, the patron will make sure accessories are used properly and all pieces are placed back into the kit before returning it to the library.

Any user who loses the American Girl doll kit, or any of its contents, will be charged for the replacement cost of kit or items. Replacement costs vary according to kit. Please inquire at the Children’s Reference Desk.

Library staff reserves the right to monitor usage to ensure fair access for the greatest number of patrons. Thank you for your interest in our American Girl Doll lending program!
